Re: Recommendation for Isaac Bonilla

Dear Hiring Manager:

I want to recommend Isaac Bonilla with great enthusiasm. Isaac is a stand-out designer. During the two years I worked with Isaac at KBS+, he consistently demonstrated showed great enthusiasm, patience, communication skills and high quality work. With all of these qualities, it is easy to heartily endorse him.

Isaac is always upbeat, which is one of his greatest assets, beyond his skills. He has managed to work with strict and unrealistic deadlines, as well as tough clients and agencies. He always consistently met or surpassed the timelines for projects, without jeopardizing quality.

Isaac is a hardworking, top-performing professional. He has my highest recommendation, and I am happy to furnish more details if you would like additional information.

Sincerely,
